

KOOTENAI COUNTY DEMOCRATIC CENTRAL COMMITTEE

A RESOLUTION IN SUPPORT OF PROTECTION FOR DOMESTIC
VIOLENCE VICTIMS

Whereas the 2018 Idaho Democratic Party Platform and the Kootenai County Democrats support the full text of the Second Amendment;

Whereas the firearm-related age-adjusted mortality rate increased nearly 42% in Idaho between 2000 and 2016;

Whereas 55% of assaults in 2016 in Idaho involved firearms and each day 514 domestic violence victims in Idaho seek safety and services from community based domestic violence programs;

Whereas Idaho Legislature rejected House Bill 585 by a vote of 31-39 which would have amended Idaho Code 18-3316 to reflect federal law and prohibit those convicted of domestic violence from possessing a firearm for two years; now therefore be it

Resolved, that the Kootenai County Democratic Central Committee

Supports the re-introduction and passage of HB 585 to protect domestic violence victims.
